FLEXIBLE, REPEATABLE METAL FINISHING SOLUTIONS

Our customer requirements focus on our ability to provide the most consistent balance of high quality, flexibly delivered metal finishing performance in the Midwest. For over 40 years, our 120,000 sq. ft. Green Bay site has continued a tradition of offering a full suite of Anodizing and Electroless Nickel plating offerings. Please contact us to discuss how we can align our resources to create finishing solutions that will drive operational value and product performance advantages for your product line.

About Pioneer Metal Finishing

Starting in 1945, Pioneer has focused on being a premier metal finisher partner for our customers. We exist to be an extension of our customers' business, providing value-added services that improve the performance of their products. This focus has led us to operate 11 facilities in the United States and Mexico, providing a full spectrum of finishing services.
