

**18 December 2024**

To whom it may concern:

Intertek Testing Services de México, S.A. de C.V.) we hereby state that the company: **GB QRO Metal Finishing S. de R.L. de C.V. and domiciled at Ave. El Tepeyac No 1220, Parque Industrial O'Donnell Aeropuerto, El Marques, Querétaro, Mexico.**, received an assessment to **verify the grade of compliance of the Quality Management System with the requirements of MAQMSR (Minimum Automotive Quality Management System Requirements for Sub-Tier Suppliers) dated December 09 and 10, 2024**, for the processes: **Mechanical and chemical pretreatments - Coatings.**

**The report generated establishes the following conclusions:**

- a) It was determined a level of compliance with the audit criteria, which was 89.3%.
- b) According to the information collected during the assessment, it is observed that the Quality Management System has the bases for compliance with the requirements of the **MAQMSR (Minimum Automotive Quality Management System Requirements for Sub-Tier Suppliers)**, Second Edition. September, 2017.

This is extended for the purposes that suit the interested party.

I reiterate my service for any questions or clarifications in this regard.

Kind regards

---
